**Subject: EU Candidate List of Substances of Very High Concern**

The following is ATI Allegheny Ludlum's statement regarding the European Union Candidate List of Substances of Very High Concern:

ATI Allegheny Ludlum's products do not contain any significant amounts of the 151 chemical compounds on the EU Candidate List of Substances of Very High Concern (SVHC) dated December 16, 2013 and the maximum concentration for such substances in homogenous materials does not exceed 0.1% by weight.

More information on Substances of Very High Concern can be found at the European Chemicals Agency's website, [echa.europa.eu](http://echa.europa.eu).

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen J. Wolff", written over a horizontal line.
