Subject: Elgiloy Special Metals compliance to Reach 12/16/2013 update

Combined Metals of Chicago, LLC has reviewed our current operations which supply Brown Metals. We have concluded that none of the listed substances by EU regulation EC 19207/2006; Registration, Evaluation, Authorization of Chemicals (REACH) Substances of Very High Concern (SVHC) listing including all ECHA SVHC updates up to and including 16 December 2013 or the 2006 RoHS directive are knowingly added to the product or processes used to produce the parts supplied to Brown Metals at a greater level than 0.1% / weight.

Sincerely,

Michael J Bilos
